	10-Feb-2024	Contribution Receipt	*

In eServices, on the **Settings** tab, you can select which documents you would like to receive electronically – which is fast, secure, convenient and paperless.

You also have the option to select which documents you would prefer to receive by mail through Canada Post (for example, Tax documents).

All documents can be accessed on the Documents tab and can be easily downloaded to save as a PDF for your files.
